Momentum Connect with Webex

*A Fully Integrated Collaboration
Experience.*

**Collaboration.
Cloud Calling.
Advanced Messaging.
Meeting Capabilities.**

Momentum Connect with Webex is a collaborative, cloud-based service resource with all the tools to empower your teams to work together, from everywhere and anywhere.

Momentum Connect with Webex includes HD video, voice, messaging, file, and screen sharing, as well as conferencing in an easy-to-use and secure platform that can incorporate with other tools used to manage your workflow.

Whether at home, on the go, or in a conference room, Momentum Connect with Webex brings teams together to produce remarkable work in a collaborative environment.

Keep things moving forward with Momentum Connect with Webex all by creating solid teams, relationships, increasing productivity and solving business challenges.

Bring your team(s) and customer together, wherever they are located with Momentum Connect with Webex.

- » **Crystal Clear Calling.** With Momentum's secure platform providing voice and video calling, you can make and receive calls with the classic features you rely on daily
- » **Messaging the Way it's Meant to be.** Quickly contact teammates, internal or external, using chat for direct messages or in a group space. Enjoy the latest messaging features such as @mentions, emojis and gifs, and threaded message support
- » **Hassle-free Video Conferencing.** Host or join secure HD meetings on any device, anywhere, and keep your data and privacy protected. Share your desktop, application, or file during your meeting or pop up a virtual whiteboard for a brainstorming session
- » **Team Collaboration Tools Keep You Moving Forward.** Create a virtual workspace where you can get work done with others one-to-one, or as teams. Chat, meet, share files, and link your productivity apps within your virtual space to organize your work and conversations
